

SECOND HARVEST

Food Bank

San Joaquin & Stanislaus Counties

Dear Community Partner:

Imagine if every man, woman, and child always knew where their next meal was coming from. Unfortunately, for 2 in 10 people in our communities that is not the case. Seniors, families and children are left wondering where their next meal will come from and how they will make ends meet. Second Harvest Food Bank makes a significant difference in the lives of those who suffer from food insecurity on a daily basis, but sadly the need is growing.

Our 9th annual “**Hit the Streets for Hunger**” 5k walk/run is just one of many ways that we are able to raise awareness and necessary funding that allows us to continue our mission of fighting hunger and feeding hope. Second Harvest is proud to partner with River Islands Technology Academy to provide a safe, scenic route for our participants and a spacious setting for our sponsors to showcase their businesses. **Sunday April 14, 2018** we hope that you will help us welcome over 250 local runners as they take to the streets against hunger.

We are seeking the support of our local business community to help us achieve our goals this year and once again ensure the success of this family friendly event. There are several ways for you to get involved:

There are 3 levels of sponsorship available...
